**JUNIPER NETWORKS FOUNDATION FUND  
DONATES TO FOUNDATION FOR EXCELLENCE**

**Donates US\$10,000 for Higher Education of Underprivileged Students**

**Bangalore, September 13, 2004** — Juniper Networks, Inc. (NASDAQ: JNPR) today presented a donation of US\$10,000 to the Foundation for Excellence (FFE), a non-profit organization dedicated to helping high school and college students who have demonstrated superior academic ability but do not have the financial resources to complete their higher education in India.

The donation has been made through the Juniper Networks Foundation Fund, a charitable foundation set up in 2000 by Juniper Networks to benefit education, community and social services across the world. This body is administered by the Community Foundation Silicon Valley.

At a function held at the Shri Ramakrishna Students' Home at Vishveswarapuram, Mr. Scott Kriens, chairman and CEO, Juniper Networks, presented a cheque to Lt. Col. B V Shirali, Manager, India office, Foundation for Excellence, Inc.

"We are very pleased to have the support of Juniper Networks," said Mr. Shirali. "The FFE depends on the support of leading technology companies, such as Juniper Networks, to share our vision of helping talented young students fully develop their potential, and become valuable contributors to the technology sector and other areas of industry."

Since its inception in 1994, the FFE has provided scholarships to more than 7,000 students from all over India.

"At Juniper Networks we value quality education and the recognition of young talent," said Mr. Kriens. "Juniper is proud to support the FFE, and provide opportunities for bright but underprivileged students to build a future. The Juniper Foundation Fund is another example of our commitment to the community."

**About The Foundation for Excellence (FFE)**

The mission of Foundation for Excellence (FFE), a California based non-profit organization, is to bring about a transformation in the lives of academically brilliant and economically underprivileged students in India. FFE accomplishes its mission through a Scholarship Program. The program enables the brilliant and needy students to meet the rising costs of higher education in India, continue and complete their studies, stand on their own feet and make contributions to the well being of their families and society at large.

**About Juniper Networks, Inc.**

Juniper Networks transforms the business of networking by creating competitive advantage for our customers with superior networking and security solutions. Juniper Networks is dedicated to customers who derive strategic value from their networks, including global network operators, enterprises, government agencies and research and educational institutions.
