

JOIN COURSES FROM TOP UNIVERSITIES FOR FREE THROUGH MOOC

Dear FFE scholar,

Here's another reason to thank technology for enabling access to an array of free quality educational courses world-wide. Our focus this month is on MOOC and we bring to you top MOOC sites across the globe.

Learn through engagement, not just by completing assignments. Click on the link below to understand how it works: [what is a MOOC?](#)

Here is a list of top MOOC platforms. Explore and enroll into courses of your choice from the finest universities!

- Coursera
- FutureLearn
- Udemy
- Udacity
- EdX
- Lynda.com
- Open2Study
- Codecademy
- NovoEd

What is MOOC?

MOOC stands for Massive Open Online Course. It is a free, web-based participatory distance-learning model. Enrolling for a course not only gives you open access to study materials, it helps you establish your network across the world by interacting with other students and professors from top universities on a common platform.
