FOUNDATION FOR EXCELLENCE INDIA TRUST

The Trustees of FFE India Trust are pleased to present the highlights of the work of the Trust for the year ended 31 March 2011.

Foundation For Excellence Inc. (FFE), USA

FFE USA, which had played a key role in the establishment of the FFE India Trust in its formative years, decided to entrust responsibility to the Trust for the implementation of the US organization's Scholarship Program in India and to support the Trust for its marketing, promotion and fund raising efforts in India. To meet these responsibilities, FFE USA agreed to make an annual financial grant to support the requirements of the Scholarship Program and for the marketing, administrative and other expenditure requirements. FFE USA's contribution in foreign currency is being channeled through the Trust's FCRA account. FFE USA has also agreed to the use of its logo, website and other technical and administrative facilities by the Trust. This new relationship between FFE USA and FFE India Trust, which was initiated in FY 2010-11 is expected to significantly expand and enhance the Trust's activities.

Scholarship Program

The Trust awarded 1,146 scholarships amounting to Rs. 2,58,78,236 during 2010-11 as compared to 117 scholarships for an amount of Rs. 13,45,662 during FY 2009-10. This substantial increase can be attributed to a grant from FFE Inc to the FCRA account of FFE India Trust. This is the first year that FFE India Trust has received a grant directly from FFE Inc. Of the 1,146 scholarships, 1,043 scholarships for an amount of Rs. 2,35,17,892 were funded out of the grant provided by FFE USA; the remaining 103 scholarships amounting to Rs. 23,60,344 were funded out of donations raised by the Trust.

Of the 1,146 scholarships approved in 2010-11, 539 were students beginning their first year of Engineering and Medical studies while 607 were renewal scholarships.

Details of scholarship disbursement to 1,146 students by type/gender, course/year of study and by state is detailed in Annexure 1.

Management of FFE India Trust

In September 2010, Dr. Sudha Kidao, Chair of FFE USA's India Management Team, was appointed to the Board. In February 2011, P. N. Hiriyannaiah, S. S. Naganand and Suresh A. Seshan resigned as Trustees. Dr. Kidao has taken over as new Managing Trustee since February 2011.

The Trustees are deeply indebted to Mr. Hiriyannaiah, Mr. Naganand and Mr. Seshan for their honorary services to the FFE India Trust and express their grateful thanks for their help throughout.

Two meetings of the Board of Trustees were held during the year ended 31 March 2011; the first on September 5, 2010 and the second on February 7, 2011.

Outreach

FFE India Trust held 3 events in FY 2010-2011 with the aim of concerted outreach to students, alumni, facilitators and donors. Open House events were held in Chennai on August 28, 2010, Pune on November 28, 2010 and in Ahmedabad on February 20, 2011. Each of these events included a Chief Guest of eminence (Dr. A. Joseph Stanley, Dean, Madras Institute of Technology, Chennai; Mr. Pradeep Bhargava, MD, KPIT Cummins, Pune; Dr. Anil K. Gupta, Professor, IIM-A and Dr. Dineshbhai Amin, eminent community physician in Ahmedabad) whose address to the students included ethics in the work place and exhorting students to give back to FFE. During the course of 2010-11, Trustees interacted and met with almost 200 current scholars, 35 alumni, 48 facilitators and numerous guests and well wishers at the above events. Scholars and alumni were encouraged to stay engaged with FFE during their course of education and beyond. Alumni were awarded a Certificate of Excellence in honor of their high academic performance and were strongly encouraged to contribute to the growth of the Foundation. Scholars who have donated to the Trust, in fulfillment of their pledge were honored for their contribution.

As a part of outreach, all FFE scholars are required to register on the new, enhanced webportal, **sa.ffe.org**. Registration as a scholar provides numerous benefits including the opportunity to network socially and professionally, to collaborate on projects, to post job openings, to seek guidance from experienced professionals and to contribute to FFE's growth.
